## PRESIDENT'S MESSAGE

JOE REID, PRESIDENT

What a year for skiing. Even on our last trip as the snow began softening in the afternoon, one still needed to enter the main lodge from the second floor. With a late

Easter and that much snow, the entire mountain was open. It was easy to go up Gold Rush over to 9, cut over to 16, up on 2 and 3, around behind Broadway and back to Stump Alley.

Mammoth received over 600 inches of snow this season and that amount of snow was prevalent in many places. Snowmass was a great trip with fresh powder a few days and then groomed runs the rest of the days.

On such a high note, it seems like a good time to pass the baton to a new president. I will remain on the board as past president and doing the website. I would like to thank the individuals who will be new to the board next year. We still have room for a few more and welcome new ideas and added energy.

See everyone at the next meeting for the elections.

*Joe Reid, Orange County Ski Club President*

### End of season party & auction

Mark your calendar for Saturday, June 25th for our end of season party. We're having a buffet and silent auction. The auction will benefit the race team and Mammoth trips. Try as we might, for various reasons, we could not avoid bleeding red ink

for this past years Mammoth trips.

Rummage through your stuff and plan to donate items for the auction.

Date, time, location and other details will be revealed in future bulletins.
