LETTER FROM THE PRESIDENT

It's summertime and the living is easy.

Well, maybe that holds true for some people but if I know you guys, you are out there hiking and biking and traveling all over the county. I dare say we are not a "sit around and do nothing" kind of crowd. But I guess that's why we get along.

If you missed our End of Season Party you missed a good one. We had over twenty members show up and we had so much a goooooood food! The conversations were lively. The teasing was unending! And the food was fantastic. I am going to have to do 50 more sit-ups...oh wait, I don't do sit-ups. Anyway, it looked like everyone had a great time.

Our Auction had a lot of interesting items up for

bid. While our results cannot compete with the Award Winning Auction that Barbara Scobie Nunn put on for us a few years ago, we nonetheless, raised a few dollars to supplement our Racing Team.

Each month I will try to feature some tips on how to enhance our club that were featured in The National

a voice in the club." I see this as an opportunity for each one of us to do just a little more. Offer to help with planning events; offer to coordinate a new event; bring interesting articles to our attention so we can share them; seek out companies or individuals that might be part of our Programs. These are just a few ideas. I know you can come

up with many more. You are a talented bunch. Come do a little backyard summer skiing at our July 6th social meeting which will be held at Arlyn Smith's home in Laguna

Ski Club Newsletter. I think you will see that these ideas could benefit us.

Tip #1 is "Participate beyond paying your dues. Have

Niguel.

And, as I always say, see you on the slopes if not sooner.

ORANGE COUNTY SKI
CLUB, INC.

Here's the new season race schedule. All races are at Mammoth:

December 10, 2011

January 7, 2012

February 11, 2012

March 24 & 25, 2012

April 6 & 7, 2012

If you've never raced before, ski racers are ranked by age, gender and ability. Plus, the club pays for your entry fees.

This is a great chance to win ski racing medals. How cool is that! Contact Anne Barneson for further info.

WE WANT YOUR FEEDBACK !

The club has started a new year. To show your affiliation with the club, your membership chair, Steven Breitbart, has pole flags. The flags help you to join-up with club members on the slopes.

Imagine, when Tom Greene arrived at the End of Season Party sporting a cool polo shirt, embroidered with the club's logo and green, blue and black diamond run signs.

According to Tom, he had the shirt made several years ago for social events.

We can get polo shirts, hats, etc. made, and at a reasonable price.

Give us your opinion!
