

ON THE MOVE AGAIN!

We have found a new home which we think will better serve the needs of our members and we invite you to join us SEPTEMBER 5TH AT 7:30 PM and check it out. The food is delicious, the margaritas fabulous and the service great.

EL TORITO GRILL
1801 E. KATELLA AVE
ANAHEIM CA 92805
(714) 937-1248

It is almost across the street from the Angel's Stadium but it is a little tricky to find so let me give you some pointers.

- The restaurant is on the ground floor of a new, upscale apartment/condo building.
- It is on the corner of State College and Katella. You will see a Denny's on one corner, a McDonalds and an ARCO gas station.
- Parking is available in the apartment/condo building.
- Once inside the El Torito Grill, weave your way to the left, all the way back to the private room.

FROM SOUTH ORANGE COUNTY:

Take the 5 FWY north to 57 Fwy north

Exit at Katella and turn left at the end of the off ramp.

Travel about ½ mile. Cross the intersection at State College and Katella, (stay on Katella) and make a right at the first driveway into the parking structure. (more information re parking below)

FROM NORTH ORANGE COUNTY:

Take the 57 FWY south and exit at Katella. Turn right and travel about ½ mile. Cross the intersection at State College and Katella, (stay on Katella) and make a right at the first driveway into the parking structure. (more information re parking below)

PARKING

The parking structure is in the middle of the apartment/condo building. There is valet parking free of charge or you can park it yourself. When you exit the parking structure, do not attempt to turn left onto Katella to get back to the freeway. Instead, turn right as you exit the parking structure and make another right at the end of the apartment/condo building. Follow this street around the building and it will take you back out to State College. There is also additional parking just past the apartment/condo building in the Bank Of America parking lot.
